

**Meal Charge Policy  
Geyserville Unified School District  
Nutrition Services**

**Payments for Meals**

With the exception of students who are eligible to receive meals at no cost, students may pay on a per-meal basis or may submit payments in advance. The Superintendent or designee shall maintain a system for accurately recording payments received and tracking meals provided to each student.

At the beginning of the school year, parents/guardians shall be notified of the district's meal payment policies and encouraged to prepay for meals whenever possible. The district's meal payment policies shall be communicated to families through multiple methods, including, but not limited to posting the policy on the districts website and establishing a system to notify parents/guardians when a student's account has a negative balance.

Parents/guardians shall be notified whenever a student's account has a negative balance in writing no later than 10 days after the student's account reached the negative balance. The district request that parents make payment in full within seven days of the notice being received. Before sending this notice, the district shall exhaust all options and methods to directly certify the students for free meals. If financial hardship exists, parents/guardians are encouraged to apply for free meal benefits by submitting a meal application.

A debt collector shall not be used to collect unpaid meal fees, nor shall the district direct any action toward a student to collect unpaid meal fees. The district may set up a payment plan in an effort to assist in bringing the account to a positive balance.
