May Day recycling at the park, Gretchen said the Chamber is OK with it and said we could do it on the other side of the tracks opposite the parking lot. Joe suggested we could place the truck at the Ed Park and shuttle goods. The main problem might be parking, if we could manage the parking it might work at the park. Tonya suggested we park the truck at the elementary in the U-shape bus turnout. Discussion leaned towards parking the recycle truck over at the park on the other side of the tracks. Final decision to made later.

Healdsburg parade is on May 23. Discussion on whether or not we participate.

Suggestions: Ballet (GES) and Boys and Girls Club. Maybe the parents club could help-out was suggested. Gretchen will ask Harry about using the truck. Tonya will talk to

Leila about ideas for the B&G club. Non-commercial entry. Alina motioned to participate in the Healdsburg Parade, Rick second, all approved.

Gretchen asked if we would consider a New Year's dance. Not much interest, Gretchen said no.
