**Classified Position Announcement:  
Supervisor of Maintenance and Facilities (District)**

**Application Deadline: 3/30/18, 3:00 p.m.**

The goal of Geyserville Unified School District is to provide the leadership needed to ensure that systems and operations run as smoothly as possible enabling staff and students to go about exemplary teaching and learning. An additional intention is to build upon the strengths of those staff members and utilize their skills and talents to assist with this goal.

Under the general supervision of the Superintendent and the coordination of site administrators, the Maintenance Director performs cleaning, custodial, emergency maintenance, plumbing and routine repair work to facilities and grounds throughout the District as required.

**Employment Requirements:**

- High School diploma or equivalent
- At least two years of experience in custodial or maintenance work, preferably in schools
- Valid CA driver license and eligibility for or current insurance coverage
- Ability to pass pre-employment physical, TB, fingerprint and DMV clearance
- Ability to perform physical labor, including regular cleaning duties, heavy lifting, bending, stooping and reaching
- Ability to have a flexible schedule related to required projects, reporting or emergencies
- Ability to troubleshoot and resolve issues skillfully and efficiently and to preform multiple tasks while being frequently interrupted
- Development, maintenance and implementation of multiple programs related to safe operation of district sites
- Maintaining regularly required safety records, reporting and step-by-step operations related to chemicals, tools, equipment and emergency procedures (MSDS sheets, Facilities Inspection Tool, CalOSHA, understanding of safety instructions and warning labels, etc.)
- Completion of state and federal reporting via online systems and computer database, including water system reporting; computer and office equipment operation skills are essential for these tasks

**Desirable Qualifications:**

- Ability to communicate in Spanish
- Additional training in the building or maintenance trades, especially certification of training and skills or a degree related to these trades
- State of California Drinking Water Operator Certification
