

Policy 1250: Visitors/Outsiders

The Board of Trustees believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during noninstructional time.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

Presence of Sex Offenders on Campus

Any person who is required to register as a sex offender pursuant to Penal Code 290, including a parent/guardian of a district student, shall request written permission from the principal before entering the school campus or grounds. As necessary, the principal shall consult with local law enforcement authorities before allowing the presence of any such person at school or other school activity. The principal also shall report to the Superintendent or designee anytime he/she gives such written permission.

The principal shall indicate on the written permission the date(s) and times for which permission has been granted. (Penal Code 626.81)

Regulation 1250: Visitors/Outsiders

The Superintendent or designee shall post at every entrance to each school and school grounds a notice describing registration requirements, school hours or hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Education Code 32211; Penal Code 627.6)

Unless otherwise directed by the principal or designee, a staff member shall accompany visitors/outsideers while they are on school grounds.

Registration Procedure

In order to register, a visitor shall, upon request, furnish the principal or designee with the following information: (Penal Code 627.3)

1. His/her name, address, and occupation
2. His/her age, if less than 21
3. His/her purpose for entering school grounds
4. Proof of identity
5. Other information consistent with the provisions of law

Principal's Registration Authority

The principal or designee may refuse to register any visitor if he/she reasonably concludes that the individual's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke any visitor's registration if he/she has a reasonable basis for concluding that the individual's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students, or staff. (Penal Code 627.4)

When a visitor fails to register, or when the principal or designee denies or revokes an outsider's registration privileges, the principal or designee may request that the individual promptly leave school grounds. When a visitor is directed to leave, the principal or designee shall inform him/her that if he/she reenters the school within seven days he/she may be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)

Appeal Procedure

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or principal by submitting, within five days after the person's departure from school, a written request for a hearing. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the Superintendent or principal shall be held within seven days after receipt of the request. (Penal Code 627.5)
