I have elected to use the schools Samsung Chromebook in my classes and I understand that I am solely responsible for it from the time I check it out to the time I return it. In consideration for the opportunity to use this device, I agree to the following:

- I will return it in the same condition as it was issued. If there is a problem with the Chromebook, I will bring it to the attention of the teacher or staff in charge.
- I will not lend the Chromebook to anyone else. Only I will be using it during the time I check it out.
- I will follow all school and district policies as outlined in the technology acceptable use policy.
- I will return the Chromebook at the end of each class period.

- Failure to return the Chromebook may result in a charge being levied against me.
- If the Chromebook that I have checked out is lost, damaged, stolen, or missing during the time I check it out, it is my responsibility, and I will be responsible for the cost of its repair or replacement. 2019- 2020 replacement cost is \$250.
Screen replacement is \$90.
