

LCAP Progress for 2014-15

What is the District's Mission/Vision?

2014-15 Identified Needs:

Improve Facilities

- GES: Installed new ground cover, replaced roof over classrooms 11-16, repaired office dry rot, installed retaining wall and improved steps & walkway

Increase Access to Technology

- Installed Wifi at both sites
- Purchased chrome books for GNTA for 1 to 1
- Purchased 4 new computers and reconfigured lab at GES

Improve Student Achievement/Engagement

- Increased instructional aide time at GES
- Provide counseling services for students
- GES staff training on Common Core
- Purchased English and Math textbooks at GES
- Increased FTE for Reading Specialist by 10%
- GNTA training in Project Based Learning
- Add Math & English support at GNTA
- Purchased new assessment materials for Special Education

Increase Parent Involvement

- Hired a PR/ Volunteer Coordinator
- Offered several workshops for GNTA parents on Echo
- Provide Parent Information Night for TK-(Not completed)
